:: Wine Purchasing ::

There are many options to customizing your wine experience....

- OPTION #1 :: Allow your guests to have full access to the current wine menu.
- OPTION #2 :: Create a tailored menu with specific wines of the renter's choosing to be available to guests by the glass and/or bottle (our most popular option).
- OPTION #3 :: No Host Bar (guests are responsible for their own wine purchases).
- OPTION #4 :: Wines paired specifically with the food items that are catered in.

The renter is required to meet a minimum purchase of \$500 in wine. Renters will be charged at the conclusion of the event for all wine served. Partial bottles will be included and are yours to take home. If having a No Host Bar, the Renter must still meet the wine purchasing minimum if not met by customers. Outside alcohol is prohibited to be brought in. Non-Alcoholic beverages are allowed.

:: Food Purchasing ::

Outside food is welcome to be brought in or to have your event catered. Longship can provide a limited amount of food from our Small Bites Menu (we do NOT have a full commercial kitchen, which may limit the amount of food available to order). Food purchased from Longship can be applied to minimum purchase requirement.

:: Tasting Room Amenities ::

- Surround sound speakers || 2 Flat Screen TVs || Water with glasses
- Wine Glass Stemware || Small kitchen || AV Hookups (you must bring your own cords)
- 2 Longship Employees to serve wine during your event
